# EPSO members are invited to join the EPSO Working Groups

---

Brussels, 10.11.2021

**EPSO members start and coordinate EPSO Working Groups to collaborate on science advancement, networking, strategy and provide science advice to policy.**

The current EPSO Working Groups are listed hereafter.

To become member of an EPSO WG, EPSO members discuss in their organisation and inform Karin Metzlaff and the co-chairs of that WG that they wish to join this WG by providing the name, function in the institute, 1-3 keywords on the expertise and contact details. We suggest that 1-2 expert scientists per member organisation join a WG relevant to them.
