2022 SusCrop ERA-Net video contest on sustainable crop production open until 18th December 2022

Brussels, 18.10.2022

National funders in the European Research Area Network on Sustainable Crop Production (SusCrop ERA-net) opened the **video contest on ‘what sustainable crop production means to you?’** on the occasion of the Fascination of Plants Day (FoPD) 2022.

Please disseminate this widely as the contest is **open to EVERYBODY** across the world under the following four categories:

- ✓ School children & students
- ✓ Education / research institutes / academia
- ✓ Farmers
- ✓ Open category (artists, enthusiasts ...)

to reflect, communicate and inspire on ‘what sustainable crop production means to you?’

The submission deadline has been extended until 18th December 2022.

The first prize of each category is 1000 euro.

The video submission has to be done via WeTransfer to nikki.declercq@ilvo.vlaanderen.be AND to eline.dewispelaere@ilvo.vlaanderen.be .

Information is available at the SusCrop [video contest webpage](#) and attached here:

SusCrop is an ERA-Net Cofund Action under H2020, which aims to strengthen the European Research Area (ERA) in the field of Sustainable Crop Production through enhanced cooperation and coordination of different national and regional research programmes. It brings together owners and managers of national and regional R&D&I programmes of EU Member States, EU-associated States and Third countries.

EPSO, the European Plant Science Organisation, is an independent academic organisation that represents around 200 research institutes, departments and universities from 31 countries, mainly from Europe. EPSO's mission is to improve the impact and visibility of plant science in Europe. <https://epsoweb.org> | EU Transparency Register Number 38511867304-09.
