THE CO-FUNDED CALL FOR PROPOSALS OF THE ERA-NET SUSCROP IS NOW OPEN!!!

The deadline for pre-proposal submission is **April 4 2018, 13:00h (CEST)**.

In order to access the submission tool, the coordinator of a consortium must first register. After re-login the coordinator can invite further partners of the consortium to join the project. Additional instruction are provided once the coordinator enters his/her coordinator account.

Please carefully read the **"Call Text"** and the **"Guidelines for Applicants"** and familiarise yourself with the supporting call documents. These documents can be found in the download area (left navigation bar under Call Documents). Only online applications via this submission tool will be accepted.

For the preparation of your pre-proposals, you can already download the **"Pre-proposal template"** for offline use (left navigation bar under Call Documents). It contains all relevant sections required for the electronic submission of your application.

Please note that the electronic submission of your pre-proposal can only be carried out by the coordinator of each applying research consortium.

For all partners of an applying consortium it is strongly recommended to contact their respective National Contact Persons for national/regional funding regulations. The contact details can be found under the Call Documents.

This partnering tool helps you to find cooperation possibilities within the ERA SusCrop calls. It can be used in the following ways:

- [Post a Partner Offer/Request](#)

Please post an entry in the partnering tool, if you are looking for collaboration opportunities in project consortia and would like to offer your expertise. You are also welcome to make a post, if you already have a project idea and are looking for further partners that would like to join you/your consortium. Next to providing your contact details, you should give a brief description of your organization. It is important that you provide some key words describing your field of research/innovation and that you specify your interest and the experience, expertise and know-how you/your organization has to offer in relation to one of the listed call (sub)topics of ERA SusCrop.

- [Search List of Partner Offers/Requests posted by others](#)

The database can be searched by call topics, keywords and all the other information provided by its users.

Please note:

There will be a plausibility check by the ERA SusCrop Joint Call Secretariat for each of your entries. If the information given passes this plausibility check, which sometimes can take a few days, your request(s) will be published on the page "List of Partner Offers/Requests". Following the publication all information provided by you will be publicly available.
