

EPSO welcomes you to the 7th EPSO Conference in Porto Heli / Greece 1-4 September 2013

The interesting and thought provoking programme will bring together researchers from all areas of plant science. Online registration and abstract submission for selection of oral presentations is open. **Deadline early registration is 30 April 2013.**

Conference themes:

- Regulatory networks in plants
- Plant response and adaptation to biotic stresses
- Plant response and adaptation to abiotic stress
- Plant response and adaptation to low resource availability
- Climate change – the mitigating role of plants
- Global food security – sufficiency and affordability
- Global food security – nutritional quality and safety
- Plant breeding and sustainability
- Plant driven bioeconomy – bioenergy, biofuels, molecular farming, biomaterials
- Plant evolution – biodiversity and ecosystems
- Science policy – plant science and agriculture
- Two dedicated poster sessions

Confirmed chairs and speakers are:

Eva-Mari Aro, Jose-Pio Beltran, Philip Benfey, Malcolm Bennett, Ton Bisseling, Marc de Block, Alain Charcosset, Jordi Comadran Trabal, Jan Delcour, Xinnian Dong, Matthias Erb, Eckhard George, Jean-Christophe Glaszmann, Wilhelm Gruissem, Jacek Hennig, Heribert Hirt, Jonathan Jones, Angela Karp, Sandy Knapp, Mauricio A. Lopes, Cathie Martin, Karin Metzloff, Maurice Moloney, John Mundy, Rodomiro Ortiz, Bruce Osborne, Javier Paz-Ares, Merja Penttilä, Christophe Plomion, Marcel Prins, Edward Rybicki, Uli Schurr, George Skaracis, Theodoros Skylakakis, Gregory Stephanopoulos, Chiara Tonelli, Athanasios Tsaftaris, Alina-Stefania Ujupan, Rens Voesenek, Olivier Voinnet, Tom Whitham, Dan Yakir, Kazuko Yamaguchi Shinozaki and Jian-Kang Zhu.

Hold your side-events on Thursday, 5.9. and Friday, 6.9.2013.

So if you want to network, rub shoulders with prospective colleagues and share your thoughts, it would be a pleasure to meet you at 7th EPSO Conference in Porto Heli next year.
